

On-Site Camping

Swimming pool with lifeguards, free restrooms, a potable {clean} water station and hot showers are on site and available to campers. All camping is in the rough. Low noise generators are permitted during set hours, loud generators are not allowed. On site pump out service is available as well as a list of dump stations in the area.

Don't want to "rough it?" Check our website for the official host hotel and our special festival rates good until 7/1/12.
